20th MULTIDISCIPLINARY MANAGEMENT OF CANCERS: A CASE-BASED APPROACH

SPONSORED BY the Association of Northern California Oncologists, Stanford Cancer Institute, UC Davis Comprehensive Cancer Center, and UCSF Helen Diller Family Comprehensive Cancer Center.

2020 TUMOR BOARD CASES AND PANELS

- Breast Cancer
- Developmental Therapeutics
- Gastrointestinal Cancers
- Genitourinary Cancers
- Gynecologic Cancers
- Hematologic Malignancies
- Lymphoma
- Supportive Care
- Thoracic Cancer

MARCH 13-15th 2020
Silverado Resort and Spa
1600 Atlas Peak Road
Napa, CA 94558
CONFERENCE INFORMATION

Multidisciplinary Management of Cancers: A Case-based Approach

CONFERENCE DESCRIPTION
This conference will present the most current information on multidisciplinary approaches in clinical oncology and will consist of tumor board cases on breast, developmental therapeutics, gastrointestinal, genitourinary, gynecologic, hematologic malignancies, lymphoma, supportive care, and thoracic cancers. The tumor board cases will be presented by faculty, with discussion by a panel of surgical, radiation, and medical oncologists from the Northern California cancer care community.

TARGET AUDIENCE
This course is designed for physicians specializing in medical, surgical, and radiation oncology as well as nurses, pharmacists, and other allied health professionals who work with cancer patients.

STATEMENT OF EDUCATIONAL NEED
Because the standard of care in oncology changes rapidly with new discoveries, there is a need for frequent updates of practical relevance for the practicing oncologist. This conference will emphasize standard of care issues for various cancers including diagnostic and therapeutic decision-making and optimal approaches to supportive and palliative care. The faculty at the Stanford Cancer Institute, UC Davis Comprehensive Cancer Center, and UCSF Helen Diller Family Comprehensive Cancer Center put a premium on optimal multidisciplinary modeling treatment and education of the practicing oncologist to ensure they are up to date. The American Society for Clinical Oncology recommends this multidisciplinary meeting format. This symposium and its faculty specifically address the clinical guidelines set forth by the National Comprehensive Cancer Network.

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:
1. Develop multidisciplinary treatment strategies based on national clinical practice guidelines in oncology in order to improve quality of care for cancer patients.
2. Discuss relevant clinical trials with cancer patients and refer appropriately.

CONFERENCE FORMAT
The format of the conference is oriented around tumor board cases. We will use an interactive group response system with an electronic keypad for each participant during the case discussions. We encourage you to submit cases for discussion.

CALL FOR CASE SUBMISSIONS
Registrants are encouraged to submit a case or cases for the panels to discuss. Deadline for case submissions is Friday, January 2, 2020. The organizing committee and panel chairs will select cases. Please visit the course website for the case submission form: www.multicancers.org.

ACCREDITATION AND CREDIT DESIGNATION
The University of California, San Francisco is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of 15.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME.

Physician Assistants: AAPA accepts Category 1 credit from AOACCME, prescribed credit from AAFP, and AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

FACULTY DISCLOSURE
The University of California, San Francisco, Office of Continuing Medical Education adheres to the ACCME standards for commercial support. Disclosure of faculty and financial relationships will be made prior to the activity.

PLANNING COMMITTEE

(Conference Co-Director)
Courtney Flookes, Jose Luis Gonzalez, and Philina Lim
(Conference Planners)

Tell a colleague! To register online go to: www.multicancers.org
Dear Colleagues,

It is a pleasure for us to invite you to the 20th Multidisciplinary Management of Cancers meeting to be held March 13-15, 2020. The 2020 program represents a collaborative effort of expert clinicians from the Stanford Cancer Institute, University of California, Davis, University of California, San Francisco, and the Association of Northern California Oncologists.

Based on the recurrent enthusiasm for a case-oriented approach we once again will be tackling some of the toughest cases, heavily relying upon audience participation and feedback. Community oncologists will be represented on the panels as well. With that in mind, we remind you that we look forward to your submission of real cases to discuss. Using our online case submission form, please submit cases to us by January 2, 2020. We will select cases from among those submitted for presentation.

Our primary goal for this meeting, as always, is to provide learners with the latest developments in the multidisciplinary management of cancers.

Space is limited so register early. We look forward to your participation at this meeting.

Sincerely,

A. Dimitrios Colevas, MD  
Conference Co-Director  
Professor of Medicine (Oncology)  
and by courtesy, Otolaryngology, Head and Neck Surgery, Stanford University School of Medicine

David Gandara, MD  
Conference Co-Director  
Thoracic Oncology Program, UC Davis Health System; Professor, UC Davis Medical School; Senior Advisor to Director, UC Davis Comprehensive Cancer Center

Margaret Tempero, MD  
Conference Co-Director  
Director, UCSF Pancreas Center; Leader, Pancreas Cancer Program; Professor of Medicine, Division of Hematology and Oncology, UC San Francisco

FRIDAY, MARCH 13, 2020

7:30am  Registration and Continental Breakfast

Register online at www.multicancers.org

ACCEPTED METHODS OF PAYMENT
Credit Card (Visa, Mastercard, or American Express) – Register online at www.multicancers.org. If you prefer to pay by phone or check, please contact the University of California, San Francisco, Office of Continuing Medical Education at 415-476-5808 for assistance (note that your registration is not confirmed until payment is received).

Online registration closes at end of business day on 3/6/20. Registration will open onsite the day of the conference if space is available. A $75 onsite registration fee will be added to all onsite registrations. Course materials are not guaranteed for onsite registrants.

CANCELLATION POLICY
All cancellations must be made in writing and sent to University of California, San Francisco, Office of Continuing Medical Education, 3333 California Street, Suite 450, San Francisco, CA 94118, or to regemail@ucsf.edu. Registration fee, less a $50 administrative charge is refundable if written cancellation is received prior to March 6, 2020. No refunds will be given for cancellations received after this date or for conference non-attendance. We reserve the right to cancel or postpone any activity if necessary. In such case, full refund of registration fee will be given. We are not responsible for other costs incurred such as non-refundable airline tickets or hotel penalties.

CONTACT INFORMATION
For questions concerning registration or meeting logistics, please contact:

UCSF Office of CME
3333 California Street, Suite 450
San Francisco, CA 94118
